## how to check kundli

01.  
**rectify planets & placement**

Because if Planet placement and there symptoms doesn't match then every analysis will be wrong.  
**Reason** :- In 2 hr your lagna kundli will not change so we have to rectify first.

02.  
**we apply all algorithm to analysis your kundli**

Because Client needs result so we apply all rules of lal-kitab, vedic astrology, nakshatra astrology and angira jyotish.  
**Reason** :- By every planet is checked twice.

03.  
**best and suitable remedy for better result**

We give best Lal kitab remedies which works very fast and help person to solve this problem and get growth.

04.  
**Real remedy items at genuine rate, so that client doesn't get money load**

Remedies also work when items are real and made bed proper yagya and proper item so that no chance of backfire and at genuine rate.
